AUSTIN**

**GERALD C. MANN
ATTORNEY GENERAL**

**Honorable Buford D. Battle
State Auditor
Austin, Texas**

Dear Sir:

Opinion No. G-3548

**Re: Whether supervisor of colored
Vocational Agriculture teachers
may be paid from Rural Aid
Fund**

**We have your letter of May 15, 1941, requesting
our opinion in response to the following questions:**

**"In making application for aid from the Rural
Aid fund for 1940-1941, Tadmore Common School Dis-
trict No. 65 of Houston County listed the name of
J. G. McAdams as a Colored Vocational Agriculture
teacher in that school.**

**"Upon investigation through the Vocational Divi-
sion of the Department of Education it was learned
that J. G. McAdams was a supervisor of Colored Voca-
tional Agriculture teachers and traveled in several
East Texas counties and acted directly under that
Department.**

**"Under these facts, in your opinion may or may
not this school district claiming reimbursement upon
this Vocational Agriculture teacher be allowed such
reimbursement from the Rural Aid fund in the same
manner as would be allowed on a regular teacher?"**

**Your letter seems to indicate that J.C. McAdams is list-
ed as a teacher in the Tadmore school only for the purpose of en-
abling him to be paid out of the Rural Aid Fund, and that he serves
only as a supervisor of Vocational Agriculture teachers, rendering**

the same type of service to a number of schools in several counties and being no more a teacher in the Tadmore school than in the others. If such are the facts the above question should be answered in the negative. Any variance in the facts might produce a different answer as indicated in our opinion No. 0-3547 today addressed to you.

Yours very truly
